We reserve the right to:

- apply or adjust usage caps
- restrict excessive, abusive, or disproportionate usage
- introduce limits necessary to protect service stability and sustainability

Excessive or abusive usage may result in temporary restrictions, permanent limitations, or termination in accordance with our policies.

4. INFRASTRUCTURE & THIRD-PARTY DEPENDENCIES

The availability and functionality of the Services may depend on **third-party platforms, infrastructure, APIs, hosting providers, or external services**.

Changes to, interruptions of, pricing increases by, or discontinuation of such third-party services may:

 - grants only a limited, revocable right to access the Services under the applicable policies
-

7. TRANSFERABILITY

Unless explicitly stated otherwise, lifetime deals are **non-transferable** and may not be resold, shared, or assigned.

8. RELATIONSHIP TO OTHER POLICIES
