

# ACCEPTABLE USE POLICY

**Last updated:** 01/08/2026

This Acceptable Use Policy (“Policy”) is incorporated into and forms part of our Terms of Service (“Legal Terms”). It should be read alongside the Legal Terms available at: [stayonboard.in/terms-and-conditions](http://stayonboard.in/terms-and-conditions). If you do not agree to the Legal Terms, do not use the Services. By accessing or using the Services, you agree to comply with this Policy.

This Policy applies to:

- (a) your use of the Services (as defined in the Legal Terms); and
- (b) any content you submit, upload, transmit, generate, or otherwise make available through the Services, including forms, submissions, comments, messages, and other materials (“Content”).

## Who we are

The Services are operated by an individual (“we,” “us,” or “our”). We are not currently operating as a registered company or legal entity. References to “we,” “us,” and “our” in this Policy refer to the individual operator of the Services.

## USE OF THE SERVICES

When you use the Services, you agree to comply with this Policy and all applicable laws and regulations, and you are solely responsible for your use of the Services. You acknowledge that you may not:

- Systematically retrieve data or other content from the Services to create or compile, directly or indirectly, a collection, compilation, database, or directory without our prior authorization.
- Make any unauthorized use of the Services, including collecting usernames or email addresses of users for the purpose of sending unsolicited communications, creating accounts by automated means, or operating under false or misleading pretenses.

- Circumvent, disable, interfere with, or attempt to bypass any security-related features of the Services, including features that limit access, copying, or usage of Content.
- Engage in unauthorized framing of or linking to the Services.
- Trick, defraud, mislead, impersonate, or attempt to impersonate us or another user, including attempts to obtain sensitive information such as account credentials.
- Engage in or promote fraud, scams, phishing, deceptive practices, or any illegal, harmful, or misleading activity.
- Make improper use of the Services or support channels, including submitting false or abusive reports.
- Engage in any automated use of the Services, including scripts, bots, scrapers, crawlers, data mining tools, or similar technologies, except as permitted by standard search engine or browser usage.
- Interfere with, disrupt, overload, or create an undue burden on the Services or connected networks.
- Use any information obtained from the Services to harass, abuse, threaten, or harm another person.
- Use the Services to compete with us or for unauthorized commercial, revenue-generating, or resale purposes.
- Reverse engineer, decompile, disassemble, or attempt to derive the source code of any part of the Services, except where expressly permitted by law.
- Harass, intimidate, or threaten the operator of the Services or anyone involved in providing or supporting the Services.
- Remove or alter copyright, trademark, or other proprietary notices.
- Copy, modify, or adapt the Services' software or code.
- Upload, transmit, or attempt to upload or transmit malware, viruses, spyware, tracking mechanisms, or any content that disrupts, degrades, or interferes with the normal operation or security of the Services.
- Disparage, tarnish, or otherwise harm, in our sole discretion, us or the Services.
- Use the Services in a manner inconsistent with applicable laws or regulations.

## CONSEQUENCES OF BREACHING THIS POLICY

The consequences for violating this Policy may vary depending on the nature, severity, and frequency of the breach, as well as the user's prior conduct on the Services. The actions described below are non-exhaustive examples.

We may, at our sole discretion, provide a warning in some cases; however, we are under no obligation to do so. If a breach is serious, repeated, or otherwise unacceptable, we reserve the right, at our sole discretion and with or without notice, to suspend, restrict, or terminate your access to the Services, disable your account, or take any other action we consider appropriate.

Where we reasonably believe that a violation involves illegal activity, risk of harm to an individual, or a threat to public safety, we may cooperate with law enforcement or regulatory authorities as required by applicable law.

To the maximum extent permitted by applicable law, we disclaim liability for actions taken in good faith to investigate, prevent, or enforce violations of this Policy.

## HOW CAN YOU CONTACT US ABOUT THIS POLICY?

If you have questions or concerns specifically related to this Acceptable Use Policy, you may contact the operator of the Services by email at:

**Email:** [legal@stayonboard.in](mailto:legal@stayonboard.in)

This contact method is intended for Policy-related inquiries only. We may not respond to all messages, and responses are provided at our discretion.

If you believe a user is violating this Policy, you may report the issue using the contact email above.
