COOKIE POLICY

Last updated: 01/08/2026

This Cookie Policy explains how cookies and similar technologies are used when you access or use our services (the "Services"). This Policy should be read together with our **Privacy Policy** and **Terms of Service**. Where this Policy refers to the processing of personal data, those terms are defined in the Privacy Policy.

---

1. WHO WE ARE

The Services are operated by an individual ("we," "us," or "our"). We are not currently operating as a registered company or legal entity. References to "we," "us," or "our" refer to the individual operator of the Services.

This section aligns with the **Controller / Operator** identification in the Privacy Policy.

---

2. WHAT ARE COOKIES?

Cookies are small text files placed on your device when you access or use the Services. Similar technologies such as local storage, pixels, tags, SDKs, and identifiers may also be used. For simplicity, all such technologies are referred to as "cookies" in this Policy.

This aligns with the **"Information Automatically Collected"** section of the Privacy Policy.

---

3. HOW WE USE COOKIES

We use cookies only to the extent necessary to operate, secure, and improve the Services, consistent with the purposes described in the Privacy Policy.

a) Strictly Necessary Cookies

These cookies are essential for the operation of the Services and cannot be disabled. They are used to:

- enable core functionality

- maintain sessions

- support security, abuse prevention, and fraud detection

- ensure system integrity

These cookies are processed based on legitimate interests or necessity for service delivery, as described in the Privacy Policy.

---

b) Functional Cookies

These cookies help remember user preferences and settings, such as:

- language or regional preferences

- interface settings

- login or session continuity (if applicable)

---

c) Analytics & Performance Cookies

These cookies help us understand how the Services are used, including:

- feature usage

- error reporting

- performance metrics

Analytics data is used in aggregated or anonymized form where possible, consistent with the Privacy Policy. Analytics cookies are used only with consent where required by law.

---

d) Third-Party Cookies

Some cookies may be placed by third-party service providers that support the Services, such as:

- analytics providers

- hosting or infrastructure services

- security or abuse-prevention tools

These third parties process data according to their own privacy policies. We do not control third-party cookies directly.

This aligns with the **"Third-Party Services"** section of the Privacy Policy.

---

4. COOKIES WE DO NOT USE

Unless explicitly stated otherwise:

- We do not sell personal data

- We do not use cookies for cross-site behavioral advertising

- We do not knowingly use cookies to profile users for targeted advertising

If this changes, this Policy and the Privacy Policy will be updated.

---

5. COOKIE CONSENT (WHERE REQUIRED)

Depending on your location, we may request your consent before placing non-essential cookies (such as analytics cookies).

Where consent is required:

- strictly necessary cookies are always active

- non-essential cookies are used only after consent

You may withdraw or modify your consent at any time through browser settings or cookie preference tools, where available.

This aligns with **GDPR / ePrivacy / consent language** in the Privacy Policy.

---

6. HOW YOU CAN CONTROL COOKIES

You can control or delete cookies through your browser or device settings. Most browsers allow you to:

- block cookies

- delete existing cookies

- receive alerts before cookies are placed

Disabling certain cookies may affect functionality or availability of the Services.

---

7. CHANGES TO THIS COOKIE POLICY

We may update this Cookie Policy from time to time to reflect changes in technology, legal requirements, or how the Services operate. The "Last updated" date indicates when changes take effect.

Continued use of the Services after updates constitutes acceptance of the revised Policy.

This aligns with the **"Policy Updates"** section of the Privacy Policy.

---

8. CONTACT US

If you have questions about this Cookie Policy, you may contact the operator of the Services at:

Email:codacrewcodelabs@gmail.com

This contact method is intended for policy-related inquiries only. Responses are provided at our discretion.
